

## LEATHER DISCLOSURE

All leather hides will exhibit natural characteristics such as healed scars, scratches, neck and belly wrinkles. Also the grain of a hide may vary from edge to center. Expect color variations from swatch to actual leather, due to the fact that leather is a natural product and will absorb dye differently within the hide and from hide to hide and dye lot to dye lot. All leather will fade with prolonged exposure to sunlight.

## LEATHER RETURN POLICY

All leather returns must be requested within 15 days of invoice and be in original condition. No cut or marked hides will be accepted. Also custom dye lots are not returnable. There will be a 20% restock fee plus shipping on all leather returns. You must contact your salesman for an RA number before any return will be accepted.
