

## Fabric Specifications

Shuford Mills, LLC engineered its Outdura™ Trio performance fabric for use by marine fabricators, manufacturers of awnings and canopies, and other applicable industries. There is nothing better than Trio for applications where a breathable, yet waterproof, fabric is desirable. This solution-dyed acrylic/ProVent®/polyester fabric is strong and durable enough to withstand years of exposure on land or on water. It is waterproof and breathable, so it protects whatever it covers from mold, mildew and moisture.

|                               |  |
|-------------------------------|--|
| Base fabric                   | Solution-dyed acrylic/ProVent/polyester          |
| Finish type                   | DWR  |
| Standard put-up               | 55-60 yds.                                       |
| Finished weight (per sq. yd.) | 12.5 oz.   |
| Finished width                | 60"  |
| Colors available              | 30   |
| Translucent                   | No   |
| Opaque                        | Yes  |
| Life expectancy               | 5 years+   |
| Warranty duration             | 5 years  |
| UV resistance                 | 1,500 hours                                      |
| Waterproof                    | >127 cm / exceeds maximum limits*                |
| Flame resistance              | Class A flammable                                |
| Tear strength (tongue tear)   | 14 x 10  |
| Tensile strength              | 350 x 160  |
| Breathability                 | 250 gm/m   |
| Abrasion                      | 24,000 cycles acrylic / >60,000 cycles polyester |
| Silk screening                | Yes (acrylic side)                               |
| Applique                      | Yes  |
| Pressure-sensitive vinyl      | Yes  |
| Specification sheet available | Yes  |

\*Hydrostatic rating: Test Method AATCC-127

### Limited Warranty for Outdura™ Trio Fabric

The Outdura™ Trio warranty covers the fabric becoming unserviceable as a result of loss of color, strength or delamination from normal exposure conditions, including sunlight, mildew, rot and atmospheric chemicals, if the fabric has been properly installed, utilized and maintained. The warranty does not cover labor and installation supplied by the dealer. The warranty also does not apply against deterioration of any kind due to abusive use, accidental burns, negligence, vandalism, perforations or acts of God.

#### Warranty Coverage Period

Five years from date of original purchase.

#### Getting Service

Consumers should call the dealer from whom the product was purchased so the installation can be inspected. The dealer will contact Shuford Mills to secure replacement fabric.

#### Making a Claim

This warranty is valid only if accompanied by a copy of the bill of sale for the item purchased plus a sample of the fabric with the original Outdura™ Trio care tag affixed.

#### Warranty Responsibility

Shuford Mills' responsibility is limited to replacement of fabric, free of charge.

#### State Law

The Outdura™ Trio warranty gives customers specific legal rights and customers may also have other rights, which vary from state to state.

## Care Tags

Shuford Mills provides woven, sew-down care tags and printed, foldover care tags to all customers. A care tag must be attached to each product for the Limited Warranty to be in effect.

## Cleaning Instructions

Clean regularly to prevent excessive dirt from accumulating. Simply brush off any loose dirt and rinse with lukewarm water. To clean, use a solution of mild, natural soap in lukewarm water (not exceeding 100°F). Rinse thoroughly to remove excessive soap, then air dry. DO NOT USE DETERGENTS.
